Preface from series' editors	7
Introduction	9

PART I. THE LATE NEOLITHIC IN KUJAWY REGION: GENERAL BACKGROUND

The Late Neolithic in Kujawy: history and crucial questions

Chapter 1. of research	13
1.1. Field investigations and publications.....	13
1.2. The Late Neolithic in Kujawy: basic conceptions	30
1.3. Taxonomy of the Late Neolithic in Kujawy	40
1.4. Chronology of the Late Neolithic in Kujawy	68
1.5. The Late Neolithic in Kujawy: a comment on data	74
Chapter 2. Biocultural description of Kujawy set against the Polish Lowland	77
2.1. The west portion of the Polish Lowland.....	77
2.2. Kujawy	87

PART II. OPATOWICE – PROKOPIAK’S MOUNT: LONG-LASTING PROJECT FOR EVALUATION OF LOWLAND’S LATE NEOLITHIC BIOCULTURAL CHARACTERISTICS

Chapter 3. Opatowice – Prokopiak’s Mount: testing ground for evaluating Late Neolithic biocultural traits of the Polish Lowland	115
3.1. Opatowice – Prokopiak’s Mount: primeval landscape and its changes	116
3.2. Opatowice – Prokopiak’s Mount in the 20th century: history of archaeological exploration against modern economic use and destruction	119
3.3. Strategy of research and publications	126
3.4. Exploration methods.....	128
3.5. Attempt at the first evaluation of the programme: pros and cons.....	129
Chapter 4. Opatowice 1, Opatowice 33 and Opatowice 42: overview of excavation results	131
4.1. Excavations.....	131
4.2. Site stratification	139
4.3. Depositional and post-depositional processes.....	159
4.4. Structural evidence	164
4.5. Quantity and quality of artefacts and ecofacts	195

Chapter 5.	Opatowice 1, Opatowice 33 and Opatowice 42: multi-disciplinary research areas, methods and results	201
	5.1. Taxonomic studies of pottery	201
	5.2. Chronological studies: typo-chronology and radiocarbon chronometry	227
	5.3. Flint processing	260
	5.4. Stone processing	270
	5.5. Clay as building material	279
	5.6. Production and use of wood tar	281
	5.7. Use and processing of plants	290
	5.8. Use of animals	297
Chapter 6.	Opatowice 1, Opatowice 33 and Opatowice 42: three sites in a changing landscape	303
	6.1. Opatowice 1	304
	6.2. Opatowice 33	323
	6.3. Opatowice 42	332
	6.4. Living on the Mount 3200 BC: a settlement in Opatowice, site 42 as a case study	339
	6.5. People on the Mount through time: continuity and discontinuity in landscape changes	351
	Final remarks	357
	References	359
